Trailer Bridge Announces Early Pay Program

JACKSONVILLE, FL (August 22, 2012) Trailer Bridge is pleased to announce the new *Early Pay Program* designed to help customers reduce their transportation cost. Customers will receive an incentive on each container they ship with Trailer Bridge by paying their bills early, creating tangible saving for both parties.

“It’s a win-win”, said Mark Tanner, Trailer Bridge’ Chief Executive Officer. “The program is designed to give our customers a way reduce their cost of doing business by paying their invoices quickly”, said Mr. Tanner.

The new Trailer Bridge Early Pay program will give customers a \$20 discount per container or trailer that is paid electronically within 15 days of sailing. The program is for carrier’s equipment only and doesn’t apply to vehicles or heavy equipment.

Electronic payment can be processed either through the Automated Clearing House (ACH) Network or by traditional bank wire transfers.

The Early Pay Incentive is effective immediately for both Puerto Rico and the Dominican Republic. Customers with established credit that choose to pay electronically in 15 days from sailing date can deduct \$20 per container or trailer from their invoice.

If you have any questions with regards to the Early Pay Program, please do not hesitate to contact your sales representative.

Thank you for your continued support of Trailer Bridge.
