

Ocean Shipping

We bridge the gap from the United States to the Caribbean, servicing Puerto Rico, the Dominican Republic and Virgin Islands from JaxPort in Florida with the largest barges in the industry and most talented personnel in the trade.

Our fleet includes five Load On / Load Off (LOLO) and two Roll-On / Roll Off (RORO) vessels, plus more than 3,900 containers (53'), 2,500 chassis and 100 owner operators to transport all your freight safely and efficiently.

Our LOLO vessels are versatile and low-draft with the capacity of 295 containers (53'), while our RORO's transport 316 53-foot trailers and over 475 automobiles. We've built tri-level access ramps to allow the vessels to be discharged and loaded simultaneously, making it possible to offer expedited pick up and delivery of your cargo at our ports.

Services Include:

- Multiple weekly sailings
- 53-foot container loading and unloading
- Intermodal and multimodal transport
- Supply chain management
- Warehousing, distribution, and transloading
- Specialized freight and over dimensional transport
- Freight Forwarding

We ship freight, from containers and cars, to helicopters and heavy equipment across just about every industry - We make it happen.
