Trailer Bridge shall use the Fuel Schedule below for ocean shipments tendered to Trailer Bridge and moving under Confidential Service Contracts only. Charge will be updated quarterly, effective the first business day on or after each January 01, April 01, July 01 and October 01 based on the average fuel cost from the prior quarter, as follows: Q1 adjustment based on prior Dec-Feb, Q2 adjustment based on prior Mar-May, Q3 adjustment based on prior Jun-Aug, Q4 adjustment based on prior Sep-Nov. Trailer Bridge uses the actual average price per gallon of fuel purchased from Colonial Group Oil, Jacksonville, FL.

The corresponding QMFS per container for each range will be applied to the QMFS for ocean transported freight. Trailer Bridge will use increments of \$.05 cost per gallon for each QMFS adjustment. Should fuel cost rise above \$2.99/gallon or fall below \$1.65/gallon, the corresponding \$14.00 adjustment will be made.
