

VESSEL FUEL SURCHARGE (VFS)

Rates are subject to a Vessel Fuel Surcharge, to be reviewed on a Monthly basis and adjusted as determined by the Carrier. Vessel Fuel will be updated effective the first day of the next month. Vessel Fuel will be based on the average daily spot price of Colonial Oil price indication of the prior month ending 30 days before next effective date.

Trailer Bridge will use increments of \$.05 cost per gallon for each Fuel Surcharge adjustment. Should fuel cost rise above \$4.99/gallon or fall below \$1.10/gallon, the corresponding \$14.00 adjustment will be made.

** Fuel reflected in contract drafts are subject to change based on the effective date of the Contract and/or Schedule A..*
